All of the above articles, and a great many others not enumerated, were purchased at the opening of the present Parisian season, and are consequently a whole season in advance of the styles usually found here, as the goods imported to this country are generally ordered the preceding March, and hence are necessarily of the previous Fall's Parisian styles. Hence, to avoid the annoyance of being always behind the fashions, while making a visit to Europe, I stopped a few weeks in Paris, and bought the above goods in person, from first hands. I hope the kind patronage of the Ladies will enable me to make a yearly trip to Paris, with the sole object of keeping pace with the Parisian fashions, and to have all new styles of goods here
